

# FUR-EVER FABRICS

LOVE THAT LASTS.  
FABRIC THAT STAYS.

PET FRIENDLY  
COLLECTION

Discover high-performance textiles that resist claws and wash clean with ease, without sacrificing a single thread of style.

Architex®

# FUR-EVER FABRICS

LOVE THAT LASTS.  
FABRIC THAT STAYS.

## A PAW-PROOF AFFAIR

Architex specially developed fabrics combine easy-care and pet-friendly properties. They are not only incredibly durable and hard-wearing, but also easy to clean and washable. Thanks to the soft surface structure, paws do not get caught in them as often, minimizing the unpopular pulling of fibers.

All the products have also passed the scratch-resistance test with top marks. And for humans? The fabrics have a soft and supple feel. When you opt for Architex pet-friendly fabrics, you are choosing top-class sitting comfort and extraordinary durability —for you and your four-legged friends.
