

PURETECH  
WOVEN TO  
PROTECT

Architex

Pure Tech combines the latest Stain Resistance Technology with high quality, contract-grade furnishing fabric to ensure low maintenance, with a long lasting look & feel.

## EASY TO CLEAN

Pure Tech fabrics are odor resistant and easy to clean. From ballpoint pen marks to coffee, stains are easily removed, allowing you to keep your fabrics looking, feeling and smelling fresh. Stains can be removed from Pure Tech fabrics using water, stubborn stains may require a small amount of household soap.

## HIGH PERFORMANCE

At Architex, we are committed to supplying top quality interior furnishing fabrics. Our fabrics are constantly tested against staining by a third party, fully accredited laboratory to ensure optimum performance. Pure Tech fabrics surpass tough quality and durability tests as well as rigorous washability and cleanability testing to ensure Pure Tech fabric withstands everyday stains and use.

## DURABLE

Pure Tech is permanent, meaning that the stain resistant, easy clean properties will not deteriorate after cleaning or heavy use. When an area of Pure Tech fabric has been stained previously, and is stained again, the stains can be just as easily removed. Cleaning your Pure Tech fabric will not diminish the Pure Tech properties.

## CHILD & PET FRIENDLY

Pure Tech fabrics are child and pet friendly. Relax and have fun with your loved ones.

PURETECH Plus +

# INTRODUCING PURE TECH PLUS+

Pure Tech Plus+ combines the latest Stain Resistant Technology and protection to provide superior durability. Pure Tech Plus+ ensures fabrics remain stain free, are liquid proof, anti-microbial, odor resistant and durable. Pure Tech Plus+ has been woven for extra protection.

## HOSPITALITY AND CARE FACILITIES

Pure Tech Plus+ fabrics are designed to meet the demanding nature of hospitality and care facility environments. The reinforced fabric backing, together with the Pure Tech Stain Free Technology, ensures fabrics remain stain free, durable, odor, moisture and mildew resistant and anti-microbial.
