

PURETECH Plus +

Pure Tech combines the latest Stain Resistant Technology with high quality, stylish home furnishing fabric to ensure low maintenance, with a long lasting look & feel.

Pure Tech Plus+ is a Pure Tech enhanced product, which has been woven for extra protection and has been designed to meet the demanding nature of hospitality and healthcare facility environments.

This performance textile maintains the Pure Tech promise of stain free technology, with much more. It is durable, odor, moisture and mildew resistant, making this the perfect antimicrobial fabric.
