

Architex®

Contract Textiles: Specifying Drapery, Curtains and Window Treatments

A 1-Hour CEU Course:

Learn the elements, treatment styles, fabrication details and options for drapery, curtains (dressing, privacy, shower) and window treatments (valances, cornices). Understand the necessary flame code requirements for each as well as how to submit a proper and complete specification.

Specifiers Will Learn:

- Explain the fabrication details and specification options present in drapery, curtains and window treatments.
- Understand the elements and treatment styles of drapery, curtains and window treatments.
- Name the five performance guidelines as defined by ACT.
- Know the EPA's Emerging Pathogen Policy and when it takes precedence.
- Learn how to submit a proper and complete specification for drapery, curtains and window treatments.

CEU Event Information (IDCEC Accredited):

- Course Code: CEU-106431-R1
- Designation: General
- Learning Level: Basic
- Subject Code: 5. Technical Knowledge | 18. Wallcoverings
