THROW COLLECTION

ABOUT LOOM & MERCER

100% Wool

Hypoallergenic

Eco-Friendly

Naturally Antistatic

The Loom & Mercer Throw Collection brings quality crafted textiles sourced from a more than century-old heritage British mill. Produced in the heart of the UK, extra effort is made every day to be more sustainable in sourcing and production.

Wool is a 100% natural, renewable and biodegradable fiber, which when combined with a mill commitment to zero waste, recycling and solar energy, create a product of the highest ethical quality.

SUSTAINABLE SOURCING

All of our wool growers respect the **five animal freedoms**. Healthy sheep equals quality wool.

- 1 Freedom from hunger + thirst.
- 2 Freedom from discomfort.
- 3 Freedom from pain + disease.
- 4 Freedom from fear + distress.
- 5 Freedom to express normal behaviour.

Fully Traceable

records in place to track every wool consignment right back to the farm where the wool was grown.

Farming Practices

All sheep are free range and pasture fed with every grower adhering to a strict animal welfare code.

Quality Inspected

Samples are taken from each wool bale in storage, tested for suitability and finally verified by experts.

Environmentally Scoured

Wool is scoured using eco-friendly detergents, with zero bleach added to enhance the color.
